

DRIFT PRACTICE RULES / INSTRUCTIONS

Note: There will be a mandatory briefing at 4.40pm (for 5pm start) in the Briefing Room for all new participants.

- Listen to and obey all instructions given by officials.
- Wear non-synthetic clothing that covers you from wrist to ankle to throat. Racing suits are preferred.
- Wear suitable footwear (thongs, sandals etc. are not permitted). Wear a helmet which complies with AS1698 and carries markings to that effect, or as listed in Schedule D of the CAMS Manual.
- Show your wrist-band at pit exit and the start line.
- Helmets and seat belts must be secured at all times on the circuit.
- Do not drift on the 'back straight and the kink. Turns 3 & 5 are permitted for experienced drifters only.
- The speed between the '*witches hats*' at the start is 5km/h.
- When passing the finish line '*witches hats*' (near pit entry), slow to 60km. Do not increase your speed until you have passed the second set of '*witches hats*'.
- No loose objects in your car (cameras, water bottles, phones, wheel brace etc.)
- No static burnouts or donuts. If you receive a second warning you will be excluded from the event.
- If you spin, remain off the track in a safe position until the next vehicle(s) has passed.
- If you have a problem and stop on the circuit;
 - Warning/flashing lights to be turned on.
 - Wait for help
 - Do not get out of your car and walk around.
- When returning to the pit paddock;
 - Warning/flashing lights to be turned on.
 - You must go to the start line and wait for instructions to return.
 - When instructed to return, do so immediately.
 - Do not cross the centre of the circuit.
 - Return at approx 60km/h.
- If you are aware that your vehicle is leaking oil, move off the track immediately.
- The following flags will be used;
 - Yellow Flag: warning of problem ahead. Slow down and do not overtake.
 - Red Flag: Major problem ahead. Immediately return to the Paddock.
 - Black Flag: Your session is over. Leave the track and report to the paddock office immediately.
- Cars must be set up for drifting. If officials are of the opinion that your car is not correctly set up and/or not be safe, you will not be able to continue. Please ensure that;
 - Your vehicle has no fluid leaks
 - No loose objects in your car (cameras, water bottles, phones, wheel brace etc.)
 - All lights are in working order.
 - Seat, seatbelts/harnesses are mounted securely and are in good condition.
 - Suspension/steering components are in good working order.
- Alcohol is **not permitted** in the pit paddock. Drivers will be excluded from the practice session if their team/friends are found to be consuming alcohol in your area.
- Barbecues are **not permitted** in garages.
- Waste oil must be placed in the area provided at the rear of the paddock.
- All used tyres must be taken away with you.
