DRIFT SUPERCUP ENTRIES OPEN.....

We said we would do it again in 2010! The inaugural event in 2009 was the biggest and best drift event ever staged at Mallala Motor Sport Park, thanks to the competitors, sponsors, volunteers and the thousands of people who turned up and enjoyed the event....despite the rain.

Included in the full program over 2 days will be two separate drift car classes; Street Class and Pro Class, with more than 60 cars expected to enter from across Australia. All of the entry requirements are outlined on the Entry Forms & Regulations (Mallala Website).

For your info, the following guidelines apply;

1. **Pro Class** cars will be of a high standard of presentation, and the drivers will have competed in national level competition, or have finished in the top 10 of a state level competition.
2. **Street Class** may be any cars presented as suitable for drifting. Drivers will be expected to have experience at state level, or have participated in several practice sessions. First time competitors are welcome.

The big prize money is back, with a total of \$12,500 prize money up for grabs, including \$5,000 to the *Drift Supercup* winner, it is Australia's richest drift competition:
