## **SUPER TRUCKS RETURN TO MALLALA**

Super Truck Racing is back at Mallala Motorsport Park - and we couldn't be more excited to welcome you trackside for a weekend of thrills, spills and diesel fumes!

South Australia's traditional home of Motorsport is set to roar back to life as these 1,000+ horsepower machines battle it out in a display of raw power, precision driving, and crowd-thrilling action. Whether you witnessed them in the 90's, came to last year's event or are experiencing the trucks for the first time, this weekend promises an unforgettable motorsport experience for all ages.

There's plenty more to see and do, with the A1 Linemarking Drift Battle, Adelaide Burnouts and a host of race events across the next two-days. You can also enjoy a range of family-friendly activations including live music from AXIS, truck driving simulators for the kids, a selection of food vendors and nighttime fireworks as Super Trucks go racing under lights for the first time in history!

Whether you're dancing to the tunes, relaxing on the lawn with the kids, or fueling up between races, there's something for everyone.

This weekend is one of two events for Super Trucks in South Australia, with our sister venue, The Bend Motorsport Park hosting Super Trucks for the first time on 6-7 of June for a long weekend featuring diesel drag racing, truck displays and much, much more.

This weekend will establish the early pecking order for the 2026 Australian Super Truck Championship, with last year's winner Steven Zammit looking to secure back-to-back Clem Smith Memorial trophies.

So, find your spot, get out the deck chair, and get ready for two days of non-stop action.

The trucks are back - and Mallala is ready to make history once again!

Celebrating almost 60 years of competition, Formula Vee survives into 2026 as part of the SA Motor Racing Championship. ### **'SPEEDWAY' STREET STOCKS**

---

Falcons, Commodores and Magnas swap the clay way for the black top to crown the 2026 Street Stock Road Course Nationals champion. Tyre squealing and panel bending action will ensue as drivers navigate the 2.6km Mallala circuit in cars usually suited to turning only one direction!

### **MOTOR EVENTS**

Motor Events is a South Australian-based motorsport group best known for organizing the legendary Melanoid 25hr, Australia's longest endurance race for budget race cars.
