

MALLALA

Super Trucks

APRIL 26-27, 2025

RETURN OF THE RACING GIANTS

For the first time in 15 years, the spectacle of Super Truck Racing is back at Mallala Motorsport Park - and we couldn't be more excited to welcome you trackside for a weekend of thrills, spills and diesel fumes!

South Australia's traditional home of Motorsport is set to roar back to life as these 1,000+ horsepower machines battle it out in a display of raw power, precision driving, and crowd-thrilling action. Whether you witnessed them in the 90's or experiencing the trucks for the first time, this weekend promises an unforgettable motorsport experience for all ages.

There's plenty more to see and do, with the A1 Linemarking Drift Battle, Adelaide Burnouts and a host of race events across the next two-days. You can also enjoy a range of family-friendly activations including live music from AXIS, kids lawn games, and a selection of food vendors offering everything from classic trackside snacks to gourmet eats. Whether you're dancing to the tunes, relaxing on the lawn with the kids, or fueling up between races, there's something for everyone.

This event marks the beginning of a huge year for Mallala, as the circuit kicks off a new chapter in its storied history. With the return of major events and renewed energy around the venue, 2025 is set to be a milestone year. The road from here leads to November's Hi-Tec Oils Homecoming, where the TransAm Series will take centre stage in a Motorsport event like Mallala has never seen before.

So find your spot, feel the rumble, and get ready for two days of non-stop action. The trucks are back—and Mallala is ready to make history once again!

SUPPORT CATEGORIES

FORMULA VEE

Celebrating almost 60 years of competition, Formula Vee survives into 2025 as part of the SA Motor Racing Championship. Based on the original 1200cc or 1600cc air cooled VW engine, 4-speed gearbox and VW front and rear suspension, Vee's will compete across the weekend as part of their South Australian club series.

MINIATURE RACE CARS

Miniature Race Cars combine the very best of established racing technology in a superbly engineered package that gives them amazing performance despite their diminutive size!

'SPEEDWAY' STREET STOCKS

Falcons, Commodores and Magna's swap the clay way for the black top to crown the inaugural Street Stock Road Course Nationals champion.

Tyre squealing and panel bending action will ensue as drivers navigate the 2.6km Mallala circuit in cars usually suited to turning only one direction!

MOTOR EVENTS

Motor Events is a South Australian-based motorsport group best known for organizing the legendary Melonade 25hr, Australia's longest endurance race for budget race cars. Founded on the principles of grassroots racing, creativity, and community spirit, Motor Events delivers fun, accessible, and slightly chaotic events that celebrate the joy of motorsport without the high costs. With a growing cult following, they're redefining what it means to go racing—bringing people together, embracing the weird and wonderful, and putting on events that are as entertaining as they are unpredictable.

OTHER ACTIVITIES

A1 LINEMARKING DRIFT BATTLE

Competition Drifting comes to Mallala, with the ultimate test of skill, speed, and determination for drift drivers in South Australia. Mallala's historic backdrop of seemingly endless, high speed and technical turns challenge drivers to push their limits, with big prizes on the line.

ADELAIDE BURNOUTS

Adelaide Burnouts is one of South Australia's premier burnout organisers, bringing the smoke, noise, and tyre-shredding chaos that fans love. Known for putting on wild, crowd-pleasing shows, Adelaide Burnouts hosts regular events that attract some of the toughest skid machines in the country. With a focus on driver talent, showmanship, and raw horsepower, their events are a must-see for fans of high-powered automotive mayhem.

At Mallala Super Trucks, Adelaide Burnouts will be turning up the heat with live demonstrations across the weekend, giving spectators a taste of the action to come. It's all a warm-up for their upcoming **Burnout Competition on Friday, 24 May**, right here at Mallala Motorsport Park.

Expect a stacked field of burnout beasts, screaming engines, and wall-to-wall smoke as drivers battle it out for bragging rights and blown glory. If you like your motorsport loud, loose, and full of tyre-frying energy—this is the event for you!

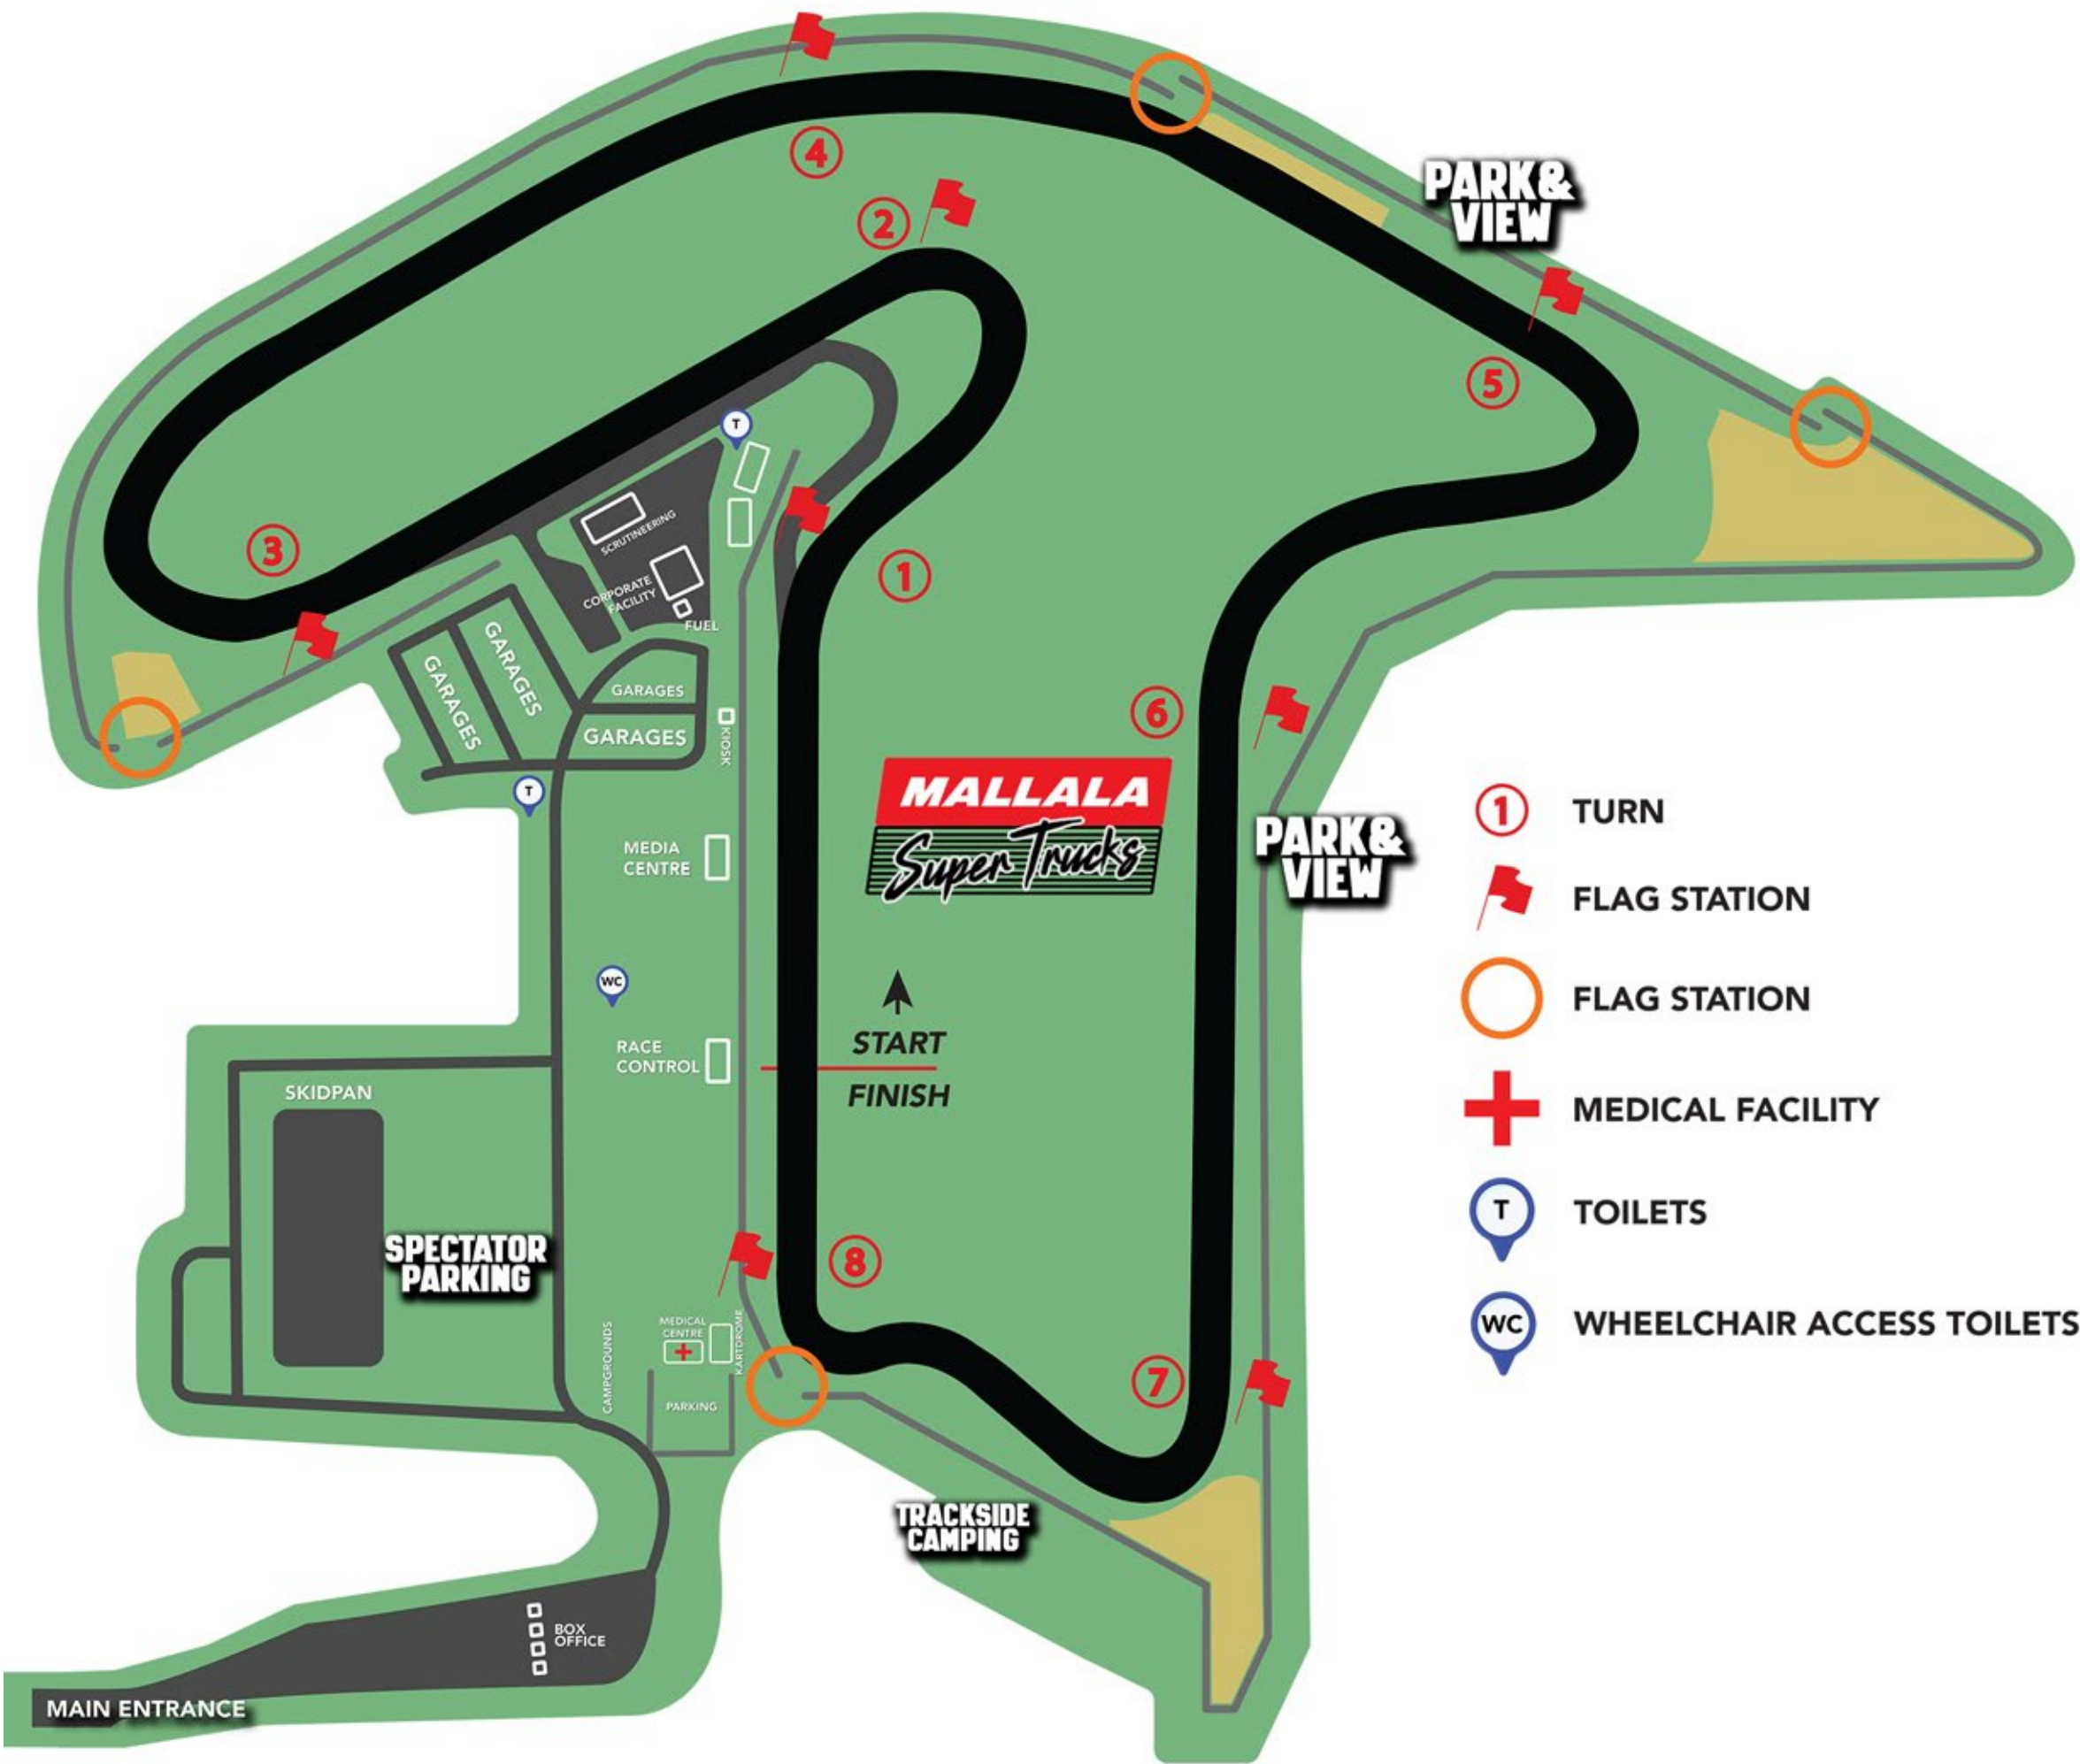

OFF-TRACK

There's plenty happening off-track too. Throughout the weekend, enjoy a range of family-friendly activations including live music, kids lawn games, and a diverse selection of food vendors offering everything from classic trackside snacks to gourmet eats. Whether you're dancing to the tunes, relaxing on the lawn with the kids, or fueling up between races, there's something for everyone.
